

April 20-24 Learning Expectations

- Use Schoology to access links and submit all work. Remember to log into your Mona Shores school account first.
- Finish each “must do” before completing the reflection questions in Schoology.
- All “can do” enrichment activities are optional. They are encouraged but not required.
- Please turn in quality work or it will be marked incomplete and will need to be redone to receive credit.
- This is a suggested 5 day plan. You can complete everything at your own pace, however your reflection is due by Friday at 3:00 pm to be considered on time.
- Please email me if you have any questions.

Learning Targets	Monday 4/20	Tuesday 4/21	Wednesday 4/22	Thursday 4/23	Friday 4/24
