

April 27 STEM Update

STEM Learning Expectation for Week of April 27th

Students MUST complete the following:

1. Endeavor Course: Designing the Ultimate Prototype (details in Schoology)

Student CAN work on:

1. The learning expectations from last week if not completed!
2. Tinkercad
3. Coding in [Scratch.mit.edu](https://scratch.mit.edu)
4. Podcasting - what I have seen so far has been great! If you'd like to continue, please do!
