

Sailors!

Here are some great links to virtual art museums. The first one is from the Metropolitan Museum of Art (The Met). I like the link "Hop in the Time Machine". You can explore art by time period, country and style.

Next, the most famous art museum in the world has to be The Louvre in Paris, France. It is the home to artwork such as Leonardo DaVinci's *Mona Lisa*, hundreds of Pablo Picasso paintings, *The Venus de Milo* and More!! The link below gives you a virtual reality tour. It is super fun!!
