

Week of May 4- May 8

Happy Teacher Appreciation week!! How can you appreciate your teachers this week? :)

All links and assignments posted in google classroom

*This week we begin our next chapter: Unidad 1, Etapa 1 and your task will be to learn the new vocabulary words really all week. There are a couple of links to Quia activities, which are a fun way to learn the words as well as using Quizlet (even if you decide to create paper flashcards)

Monday: MUST DO (due Sunday)- create flashcards for U1E1 vocabulary words and spend the week learning.

The vocabulary words are attached- please make flashcards for all of the words on the sheet (Spanish-English).

Use Quizlet to create a set of flashcards (the sooner you do this and start learning the vocabulary, the better). See attached for the link to Quizlet- you must ADD the flashcard set to the class so that I can see them (I will attach a video to this post as well to show you how).

*If you would rather, you may create a paper set of flashcards either by printing out the attached and writing the english words on the back or by using your own index cards and writing the Spanish vocabulary word on one side and the English on the other. If you choose this option, you must send email me a picture of your completed flashcards.

Tuesday: feliz cinco de mayo :)

CAN DO: Watch these quick clips about the day and how we honor mexican culture and its influence in the United States.

How about making an authentic mexican dish for dinner? There are plenty of recipes online to use!

Wednesday: CAN DO Googleclassroom assignment Act. 1 and 2 (listening activity)

Thursday: CAN DO: ZOOM at 1:00 for vocabulary practice.

We will be playing two games to help us with the new vocabulary words.
