

Week of May 18- May 22

All links and assignments are posted in Google classroom

Monday: Zoom @ 1:00 - 1:45 *Question and answer session

<https://zoom.us/j/97752889749?pwd=RWJJajMzRmNkVU55VlUyRnBSUkM1Zz09>

This is different from our Zooms in the past- this will not be a whole class activity, this will be a time to ask questions about subject pronouns since so many of you are confused. Please come if you have questions or want a little help....feel free to bring specific questions about the MUST DO assignments from last week and you absolutely may wait to turn it in until after you get your questions answered. Pop on at anytime during that 45 minute period and no need to attend if you don't have questions, there will be no excused assignment next week for attending.

There also is a powerpoint posted that might help more than the zoom notes :)

*MUST DO: subject pronoun google classroom assignment (DUE Sunday).

If you were in last week's zoom, you may skip this assignment

Tuesday: Notes: the verb 'Ser'. I will be posting a video with the notes on Tuesday. Also there is a video attached.

Wednesday: MUST DO: Ser activity Act. 14-16 (googleclassroom activity DUE Sunday)

Thursday: CAN DO: Ser activity WS #6 (googleclassroom activity)

Friday: CAN DO: Ser practice (see attached websites)
