

STEM Learning Expectation for Week of May 4th

Students MUST complete the following:

1. Endeavor Course: Connecting to the Home of the Future (details in Schoology) **Please only do the assigned modules each week! Do not move ahead onto other modules!**
2. Mock Career Fair Activity (details in Schoology)

Student CAN work on:

1. The learning expectations from last week if not completed!
2. Tinkercad
3. Coding in [Scratch.mit.edu](https://scratch.mit.edu)
4. Podcasting - what I have seen so far has been great! If you'd like to continue, please do!
